EXPERIENCE

BitHacks 2023 (*NUS StartIT*)

2023/02

Under BitHacks, a technopreneurship simulation programme, I sharpened my skills in ideation, design thinking, prototyping, and pitching, all while working under tight deadlines.

Translator (*Gengo*)

2020/1

Provided detailed oral translation from Mandarin to English through an online platform.

Part-time Tutoring

2022/04 - 2022/12

Patently provided academic guidance in mathematics and science for five primary school and secondary school children, while juggling academic demands.

EDUCATION

Chung Cheng High Main

2016 - 2019

Nanyang Junior College

2020 - 2021

National University of Singapore (Information Systems)

2022 - 2026
